

23 June 2014

Dear De Wet's Wellpoints & Boreholes,

It gives me great pleasure to take a moment to make mention of the great service I have received from your company.

Tamzyn in the office took care of my request in a very efficient manner.

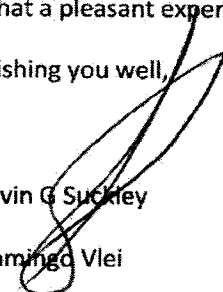

The team arrived on site punctually and attended to the work as requested without delay.

They are friendly and very well trained team and had everything done in no time.

The site was left clean and tidy.

What a pleasant experience of service excellence.

Wishing you well,
